

Sprint 2 Team Report

Team: 9

Repo URL: <https://github.ccs.neu.edu/cs5500-fse/team-9-F19>

Reviewer: Sibendu Dey

Score: 92

Comments

Commendable job on the following aspects:

1. UML Diagrams.
2. Deployment of the application to cloud.
3. Good test coverage.

Suggestions:

Sprint planning is one of the very important and critical aspects. No client would like to see the features that were promised to him/ her not delivered on time. I expect to see a much-refined list of commitments in the future sprints.
